1 Introduction

In universities, managing and tracking Memorandums of Agreement (MOAs) is a crucial but often complex task. Some still rely on manual tracking methods, such as spreadsheets and physical documents, to monitor MOAs. However, this approach is prone to human error, data inconsistency, delayed status updates, and difficulties in retrieving specific agreements. Additionally, the lack of automation in tracking MOA statuses can result in agreements expiring unnoticed, leading to compliance issues and administrative inefficiencies. These agreements span various classifications and originate from multiple departments, making it essential to have an efficient system for monitoring their status, ensuring compliance, and maintaining accurate records.

The MOA Monitoring System is designed to streamline the tracking, management, and maintenance of MOAs by providing a centralized, user-friendly, and automated platform for university administrators. This system enhances efficiency, ensures data accuracy, and improves accessibility for personnel involved in MOA administration.

To achieve this, the system digitizes and automates MOA management by offering a structured and accessible platform with key features such as real-time tracking of MOA statuses (Active, Expiring, Expired), document storage and retrieval, and automated status updates based on the current date. It also includes role-based access control to define and manage user access levels and data visualization through dashboards and charts, providing users with a clear and comprehensive overview of MOA records.

2 General Information

To ensure proper functionality, the MOA Monitoring System requires:

- **Compatible Browsers:** The system is a web-based application, accessible from any internet-connected device without requiring installation. It is fully compatible with different browsers such as **Google Chrome**, **Microsoft Edge**, **Safari**, **Mozilla Firefox**, and **Opera**, ensuring a seamless experience across different browsers.
- **Internet Connection:** A **stable internet connection** is necessary for optimal performance. Slower connections may impact loading times and responsiveness.
- **Supported Devices:** The system is optimized for **desktops**, **laptops**, **tablets**, and **mobile devices**, ensuring a responsive and user-friendly experience across various screen sizes.

3 Getting Started

3.1 User Access Levels

- **Super Admin:** Has full control over the system, including viewing, editing, and deleting all types of MOAs and admins.
- **Admin:** There are three types of admins—**Employment, Practicum, and Research**. Each type has limited access, allowing them to edit and delete only the MOAs within their assigned category while still being able to view the complete list of MOAs. Their access to other admins is restricted to viewing only.

Admin Type	MOAs Managed
Employment	Employment MOAs
Practicum	Practicum MOAs
Research	Research MOAs, Scholarship MOAs
Specific admins granted access by the Super Admin	Other MOAs

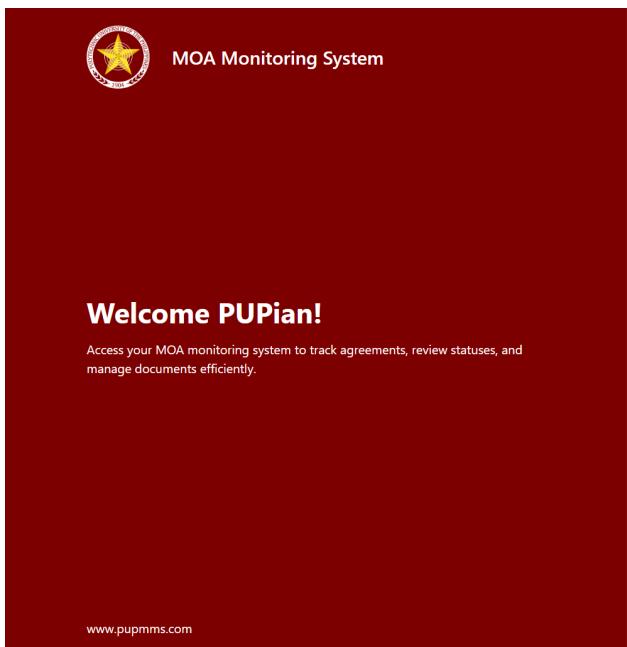

3.2 Creating an account / Signing up

Users **cannot** create an account on their own. To gain access, they must request an account from the **Alumni Relations and Career Development Office (ARCDO)** by providing their **full name** and **email address** for registration. The Super Admin from ARCDO will facilitate the account creation process, and once registered, the **login credentials will be sent** to the user's email via **pupmms@gmail.com**.

4 Using the System

4.1 Login

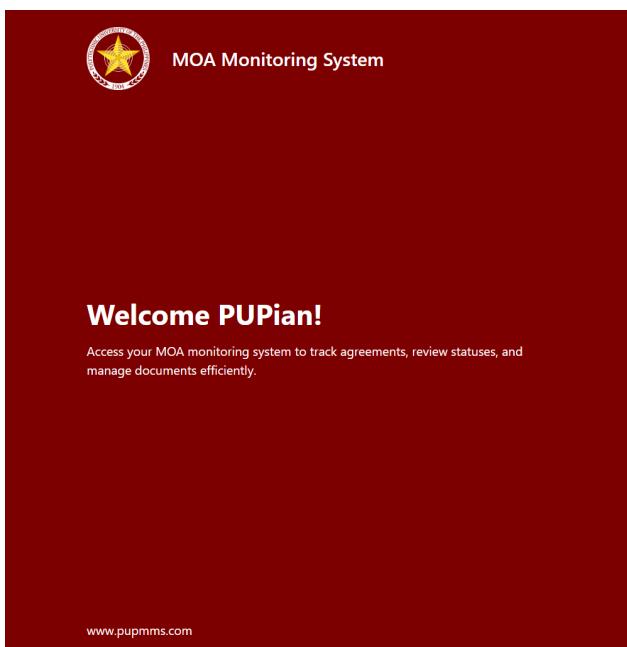

- (1) To log in, the user must enter the **registered email address** and the **password** that is sent to their email. Then click the **Login** button.

The screenshot shows the login page of the MOA Monitoring System. At the top left is the PUP logo and the text "MOA Monitoring System". Below that is a large red banner with the text "Welcome PUPian!" and a subtext: "Access your MOA monitoring system to track agreements, review statuses, and manage documents efficiently." At the bottom of the banner is the URL "www.pupmms.com". To the right of the banner is the "Login" form. The form includes fields for "Email" (juandelacruz@pup.edu.ph) and "Password" (*****). A yellow box highlights the "Login" button at the bottom of the form. To the right of the form is a sidebar with the text: "Stay informed and organized with our MOA Monitoring System. Track agreements, deadlines, and progress effortlessly."

Figure 1. Login Page

- (1) A pop-up message will appear when login is successful.

The screenshot shows the login page after a successful login. On the right side, a green pop-up message says "Login successful! Redirecting..." with a checkmark icon. The main login form is visible on the right, showing fields for "PUP Webmail" (florindaquindo@pup.edu.ph) and "Password" (*****), and a "Login" button at the bottom. To the left of the login form is the same red banner and PUP logo as in Figure 1.

Figure 2. Login Successful

4.2 Landing Page

- (1) After logging in, the user will be directed to the landing page, which displays a short system description and a **button to access the dashboard**.

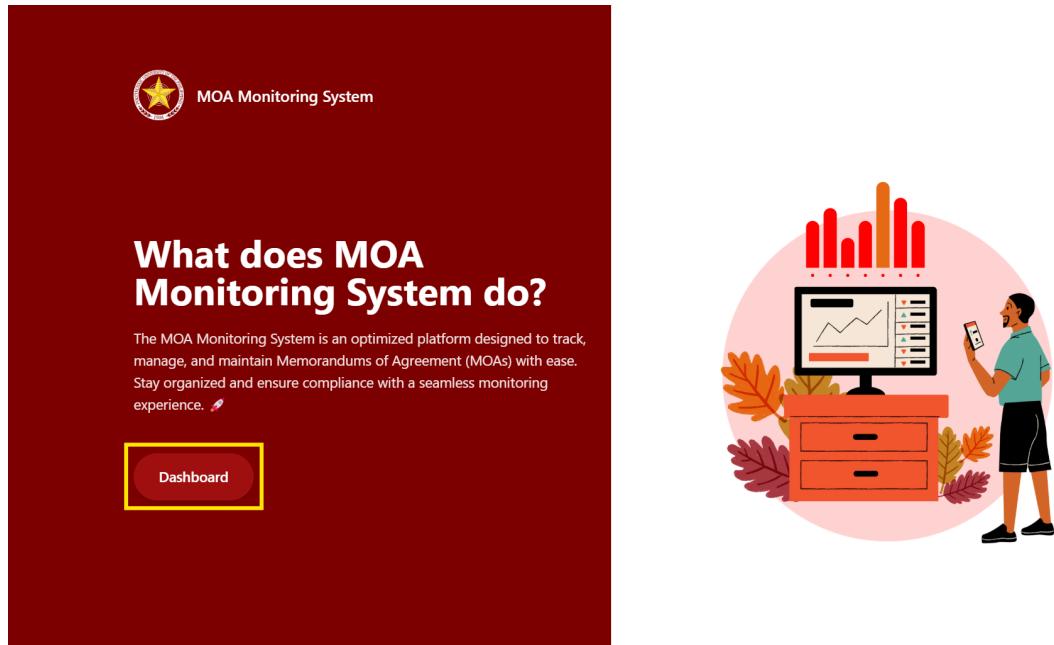

Figure 3. Landing Page

4.3 Navigation

- (1) After clicking the Dashboard button, the user will be directed to the Dashboard page, where a navigation bar is available on the left side.

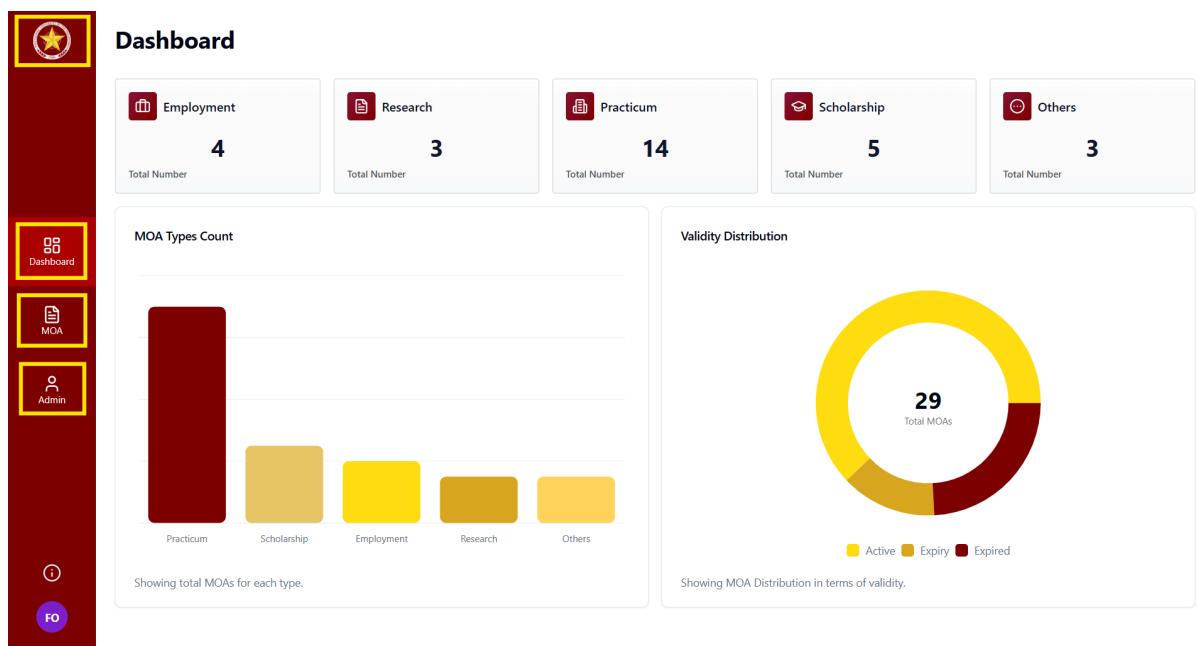

Figure 4. Navigation Bar

- (2) The **logo** at the uppermost part will direct the user back to the landing page once clicked.
- (3) In the middle, the **Dashboard**, **MOA**, and **Admin** tabs are available for navigating between pages.

4.4 Profile

- (1) Below the Navigation bar is a **Profile icon** that displays the user's initials and is color-coded based on the user's role:
 - (a) **Violet** for Super Admin
 - (b) **Blue** for Employment Admin
 - (c) **Green** for Practicum Admin
 - (d) **Gray** for Research Admin

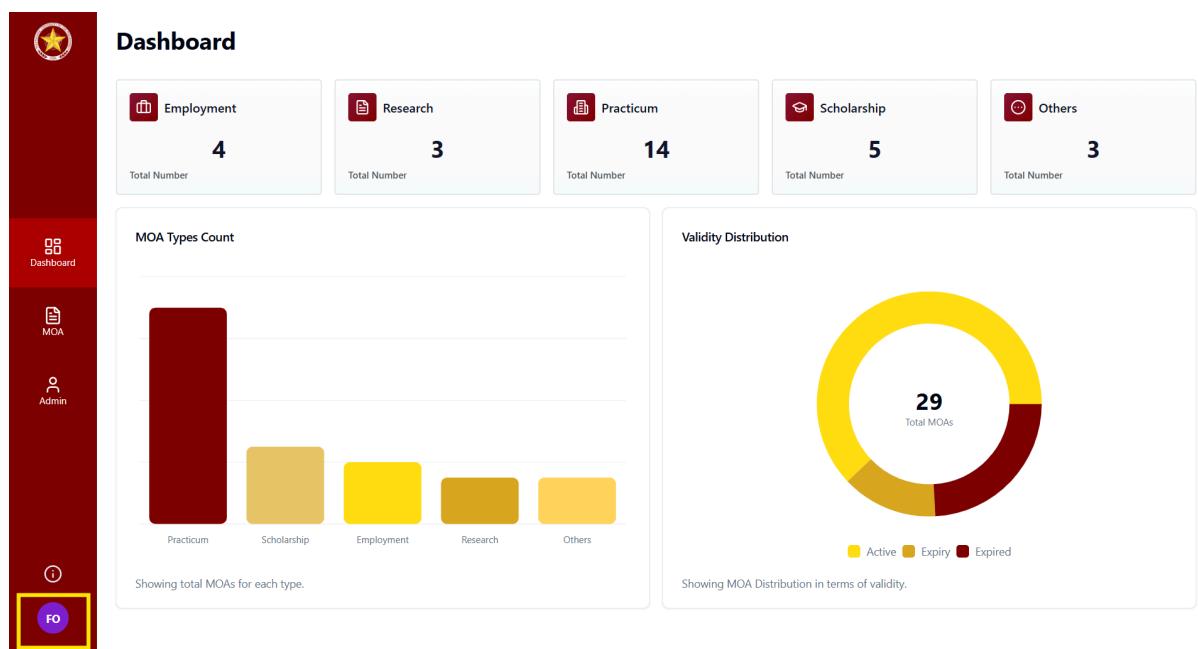

Figure 5. Profile Icon

- (2) When the profile icon is clicked, a **profile window** will appear, displaying the user's **full name, role, and a logout button**.

Figure 6. Profile Window

4.5 Dashboard

- (1) The Dashboard page displays the **total number** of different MOA types—Employment, Research, Practicum, Scholarship, and Others—in the form of **clickable cards**.

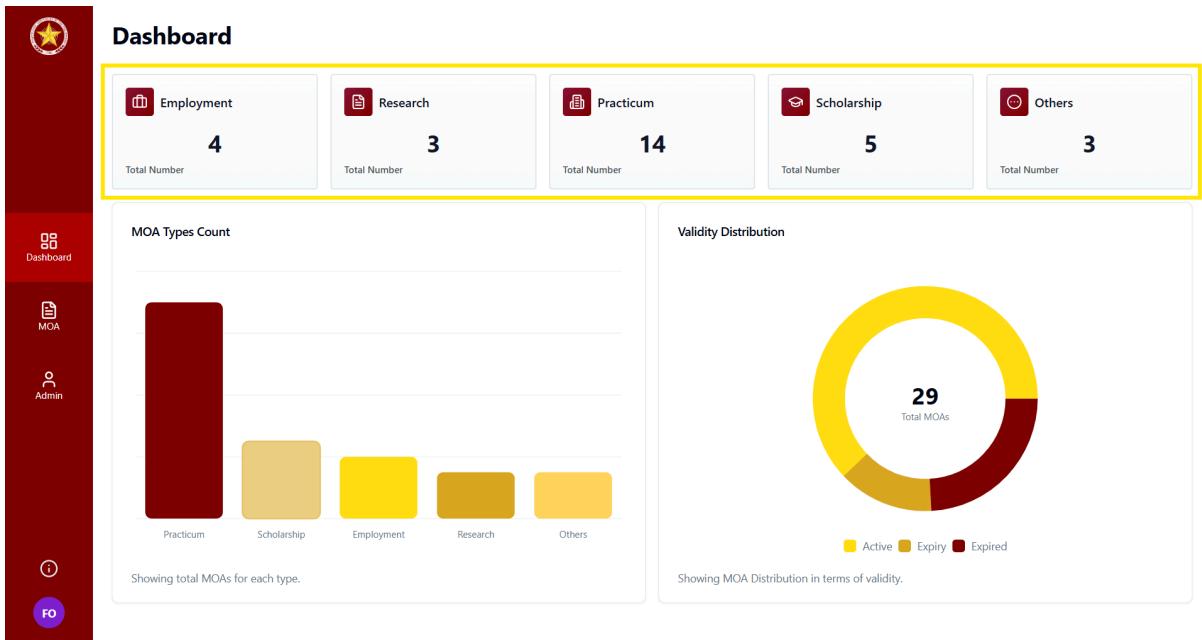

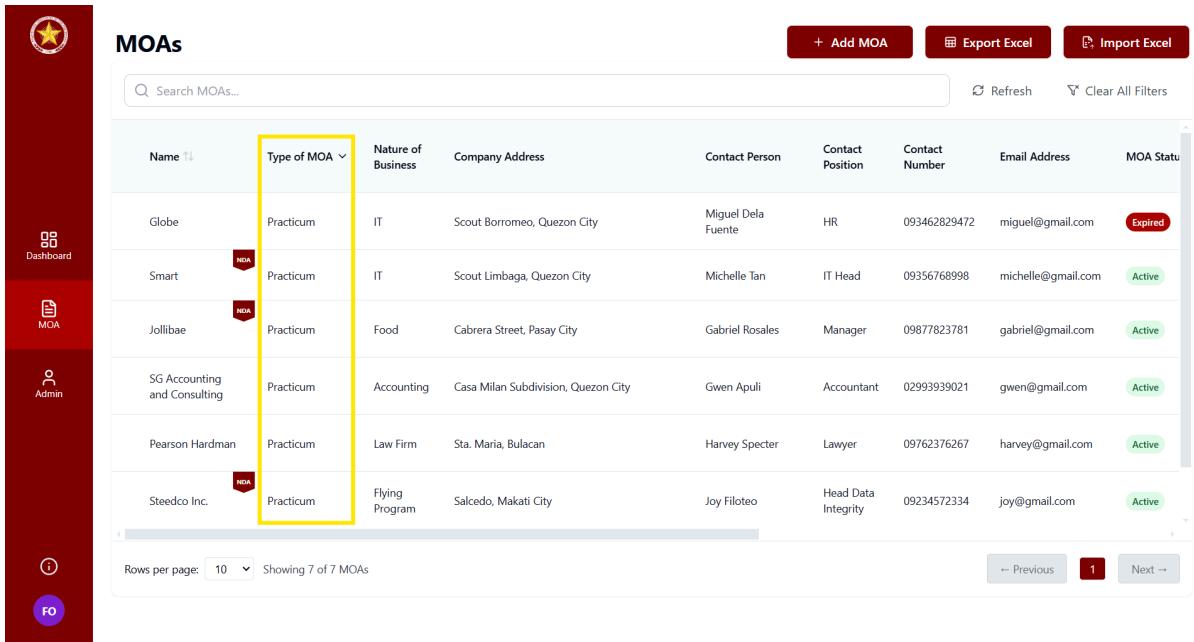

Figure 7. Dashboard Cards

- (2) When a card is clicked, the user will be directed to a **filtered MOA table** based on its MOA type. For example, if the Practicum card is clicked, the user will be redirected to the MOA tab displaying all MOAs under the Practicum type.

The screenshot shows a table titled "MOAs" with the following columns: Name, Type of MOA, Nature of Business, Company Address, Contact Person, Contact Position, Contact Number, Email Address, and MOA Status. The "Type of MOA" column is highlighted with a yellow box. The data in the table is as follows:

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
Globe	Practicum	IT	Scout Borromeo, Quezon City	Miguel Dela Fuente	HR	093462829472	miguel@gmail.com	Expired
Smart	Practicum	IT	Scout Limbagha, Quezon City	Michelle Tan	IT Head	09356768998	michelle@gmail.com	Active
Jollibee	Practicum	Food	Cabrera Street, Pasay City	Gabriel Rosales	Manager	09877823781	gabriel@gmail.com	Active
SG Accounting and Consulting	Practicum	Accounting	Casa Milan Subdivision, Quezon City	Gwen Apuli	Accountant	02993939021	gwen@gmail.com	Active
Pearson Hardman	Practicum	Law Firm	Sta. Maria, Bulacan	Harvey Specter	Lawyer	09762376267	harvey@gmail.com	Active
Steedco Inc.	Practicum	Flying Program	Salcedo, Makati City	Joy Filoteo	Head Data Integrity	09234572334	joy@gmail.com	Active

Rows per page: 10 Showing 7 of 7 MOAs

Figure 8. Filtered MOA Table

- (3) A **bar graph** is also present on the dashboard, providing a visual representation of the total MOA count, as well as a **pie chart** displaying the counts of MOA statuses.

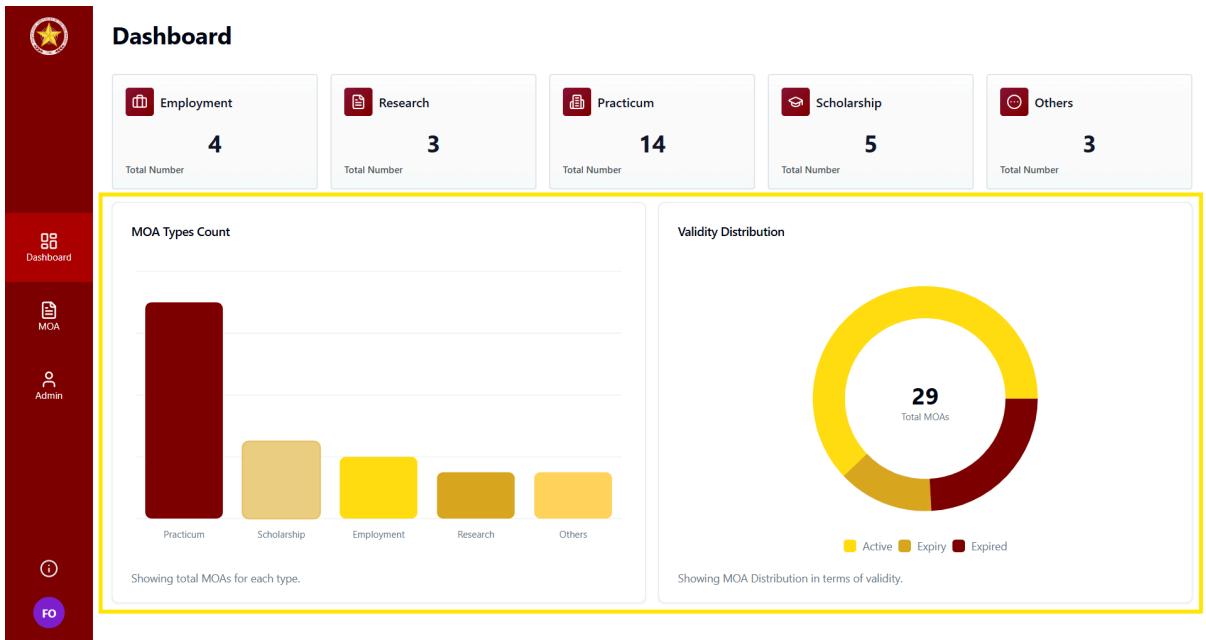

Figure 9. Bar Graph and Pie Graph

4.6. MOA Tab

4.6.1 View MOA

- (1) The MOA tab displays all the MOAs added to the system, which can be viewed in two formats: Table and Modal.
- a) **Table** - MOAs are displayed in a table format with rows representing each MOA and columns containing their respective details.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MO
8box Solutions	Scholarship	Software	Sheraton Grande Walkerhill Hotel, Aston House	Ji-Won Kim	Manager	0928883821	kim12@gmail.com	
Globe	Practicum	IT	Scout Borromeo, Quezon City	Miguel Della Fuente	HR	093462829472	miguel@gmail.com	
Smart	NDA	Practicum	Scout Limbagha, Quezon City	Michelle Tan	IT Head	09356768998	michelle@gmail.com	
Paymaya	Employment	Fin Tech	Batasan Hills, Quezon City	Andrew Velasco	HR	096238237923	andrew@gmail.com	
Rows per page: 10 Showing 10 of 17 MOAs								
← Previous 1 2 Next →								

Figure 10. MOA Table

- b) **Modal** – MOAs can be viewed individually by clicking on the **MOA name**. This allows users to see detailed information without needing to scroll horizontally through multiple columns.

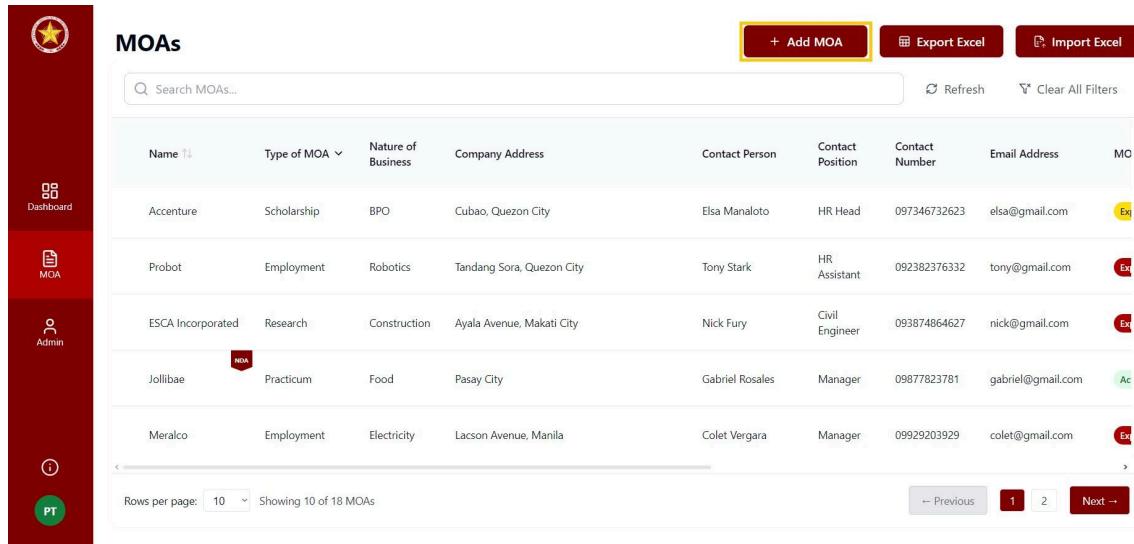

The modal window displays the following details:

- Main Information**
 - MOA Name: 8box Solutions
 - Type of MOA: Scholarship
 - Nature of Business: Software
 - Company Address: Sheraton Grande Walkerhill Hotel, Aston House
- Contact Information**
 - Contact Person: Ji-Won Kim
 - Position: Manager
 - Contact Number: 0928883821
 - Email Address: kim12@gmail.com

Figure 11. MOA Modal

4.6.2 Add MOA

(1) To add a MOA, the admin or super admin should click the "**Add MOA**" button.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
Accenture	Scholarship	BPO	Cubao, Quezon City	Elsa Manaloto	HR Head	097346732623	elsa@gmail.com	Expiring
Probot	Employment	Robotics	Tandang Sora, Quezon City	Tony Stark	HR Assistant	092382376332	tony@gmail.com	Expired
ESCA Incorporated	Research	Construction	Ayala Avenue, Makati City	Nick Fury	Civil Engineer	093874864627	nick@gmail.com	Expired
Jollibee	Practicum	Food	Pasay City	Gabriel Rosales	Manager	09877823781	gabriel@gmail.com	Active
Meralco	Employment	Electricity	Lacson Avenue, Manila	Colet Vergara	Manager	09929203929	colet@gmail.com	Expired

Figure 12. Add MOA

(2) Upon clicking the button, a **modal** will pop up where the required MOA information must be entered, including:

- MOA Name
- Type of MOA (dropdown for easier selection)

*Note: An admin can only add MOAs **within their designated category**. For details, refer to Section 3.1. User Access Levels. Additionally, an admin may add MOAs classified as "Other" if granted access by the Superadmin.*

- Nature of Business
- Company Address
- Contact Person Name, Position, Contact Number, and Email Address
- MOA Status (dropdown for easier selection)

Note: The MOA status updates automatically and will change to "Expiry" three months before its expiration date.

- Validity (in years)
- Date Noratized (date picker)
- Origin Campus and Course (dropdown for easier selection)
- MOA Document (in PDF)
- NDA Handling

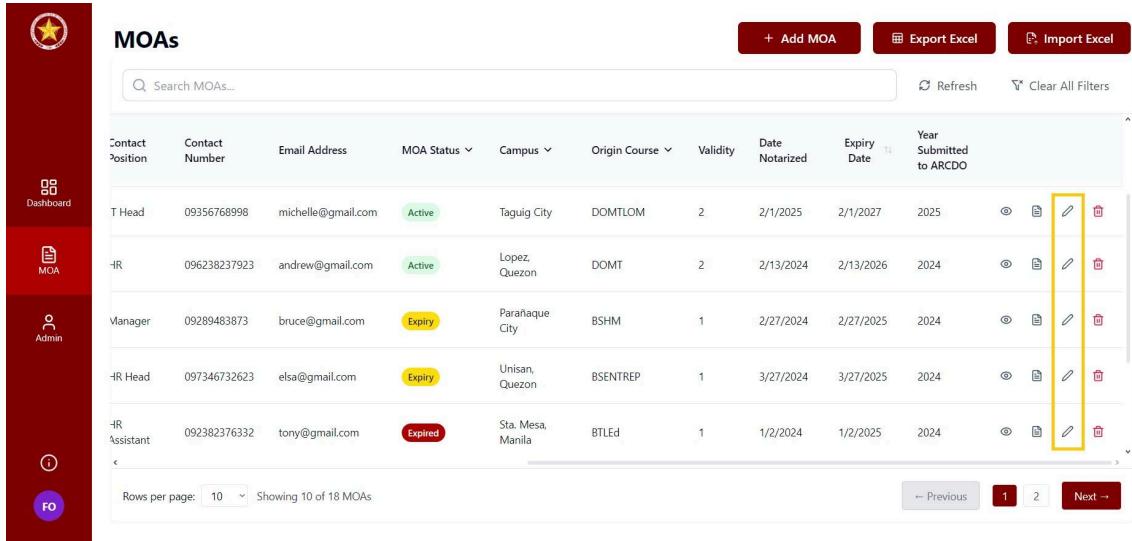

The screenshot shows the PUP MOA Monitoring System interface. On the left, there's a sidebar with icons for Dashboard, MOA, Admin, and PT. The main area has a title 'MOAs' and a search bar. Below it is a table of existing MOAs with columns for Name, Type of MOA, and Nature of Business. An 'Edit' button is visible next to each row. A modal window titled 'Add MOA' is open in the center. It contains fields for Type of MOA (set to Practicum), Nature of Business (a text input field), Company Address (a text input field), Contact Person First Name, Contact Person Last Name, Contact Person Position, Contact Number, Email Address, MOA Status (Active), Validity (a date input field), Date Notarized, Branch (Select Branch dropdown), Course (Select Course dropdown), and an 'Upload Documents' section with a file upload button and a note about PDF format. There's also a checkbox for 'Has Non-Disclosure Agreement (NDA)'. At the bottom of the modal is a red 'Add MOA' button. To the right of the modal is a table of MOAs with columns for Status, Campus, Origin Course, Validity, and Date Notarized. The table includes rows for Alfonso, Calite, Bifan, Taguig City, Lopez, Paranaque City, Unisan, and Sta. Mesa.

Figure 13. Add MOA Window

4.6.3 Edit MOA

Note: Editing a MOA is **restricted to the Superadmin and designated admins**. Specific types of MOAs can only be edited by their respective admins. For example, the Practicum Admin can only edit practicum-type MOAs. The only exception is the "Other" type of MOA, which can only be edited by Superadmins and **admins who have been granted access by the Superadmin**.

(1.1) The first way to edit MOA details is to locate the **Edit** button on the rightmost part of the table. Click the Edit button in the row corresponding to the MOA you want to modify.

Figure 15. Edit MOA in Tooltip

(2) Either method will open the **Edit MOA window**, allowing the user to update the necessary fields.

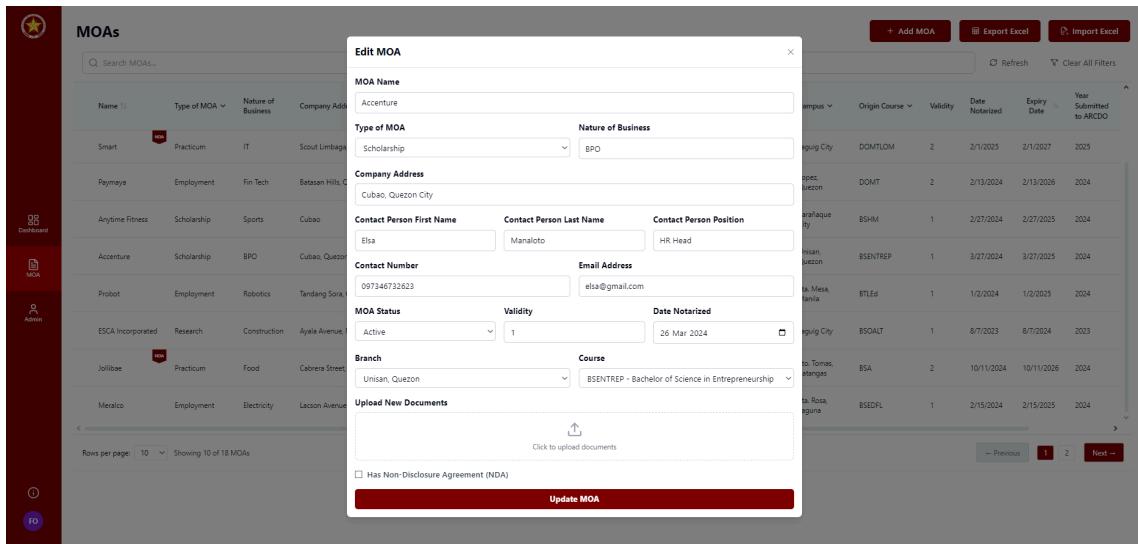

Figure 16. Edit MOA Window

4.6.4 Delete MOA

Note: Deleting a MOA is restricted to the Superadmin and designated admins. Specific types of MOAs can only be deleted by their respective admins. For example, the Practicum Admin can only delete practicum-type MOAs. The only exception is the "Other" type of MOA, which can only be deleted by Superadmins and admins who have been granted access by the Superadmin.

(1.1) The first way to **Delete MOA** is to locate the Edit button on the rightmost part of the table. Click the Delete button in the row corresponding to the MOA you want to modify.

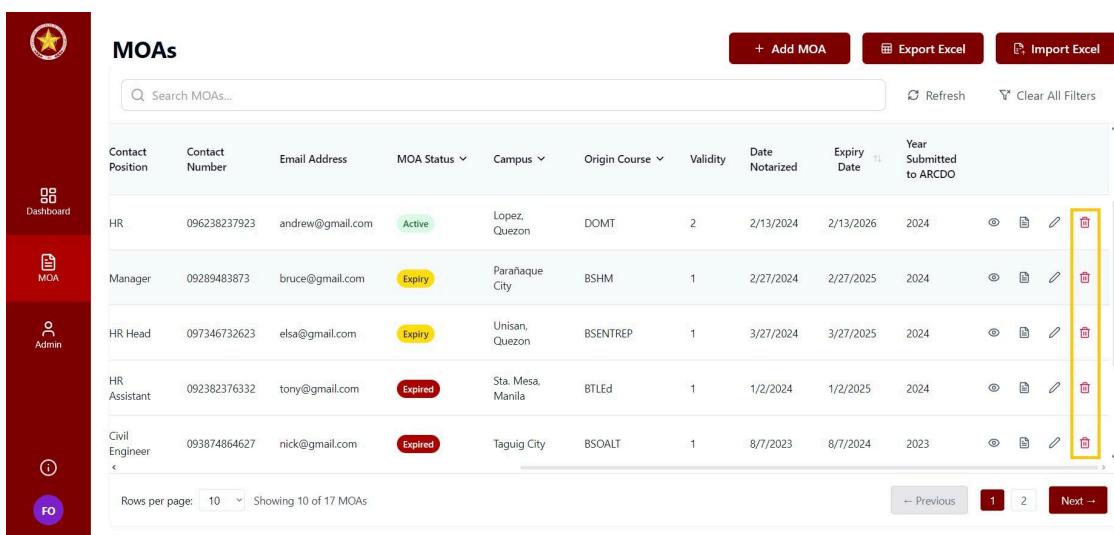

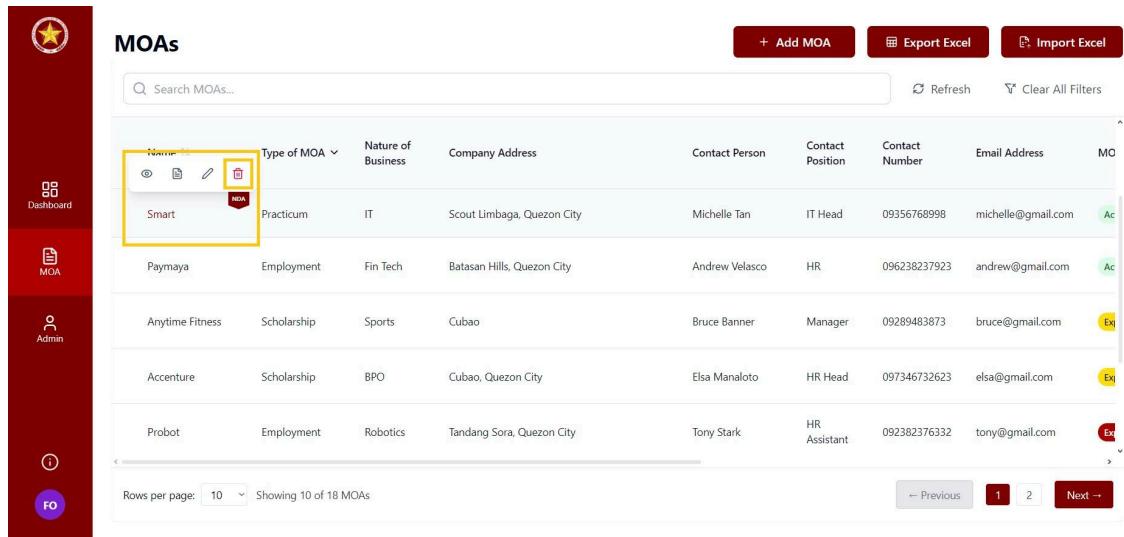

Figure 17. Delete MOA

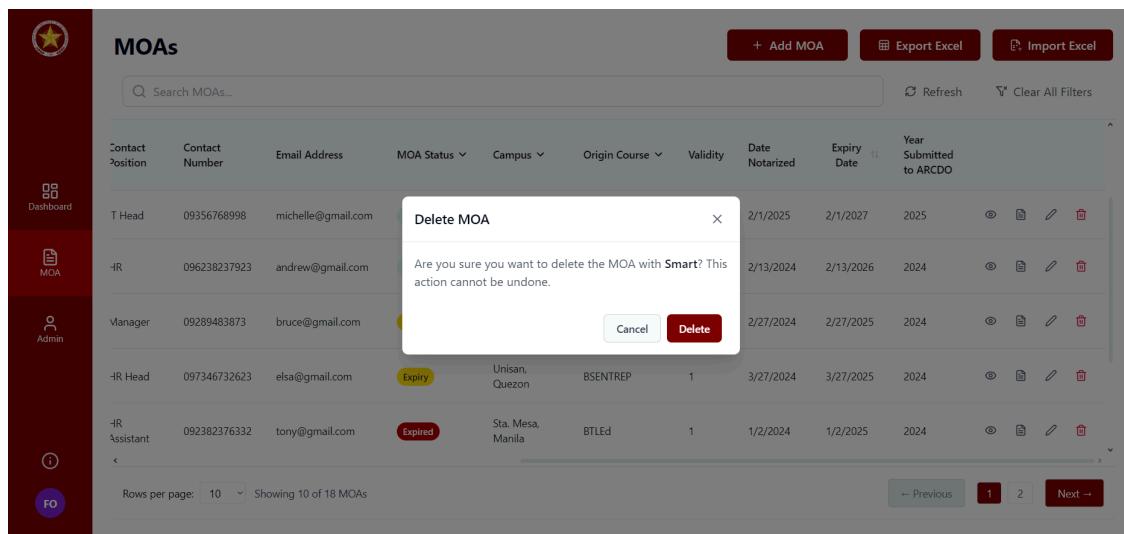

(1.2) The second way to delete MOA is to click the **Delete** button in the tooltip that appears when hovering over the MOA name.

The screenshot shows the 'MOAs' page with a list of entries. The first entry, 'Smart', has a yellow box around its row. A tooltip is displayed over the 'Smart' entry, containing icons for edit, refresh, and delete, with the 'Delete' icon highlighted. The page includes a search bar, filter buttons ('Add MOA', 'Export Excel', 'Import Excel'), and navigation controls ('Refresh', 'Clear All Filters', 'Rows per page: 10', 'Showing 10 of 18 MOAs').

Figure 18. Delete MOA in Tooltip

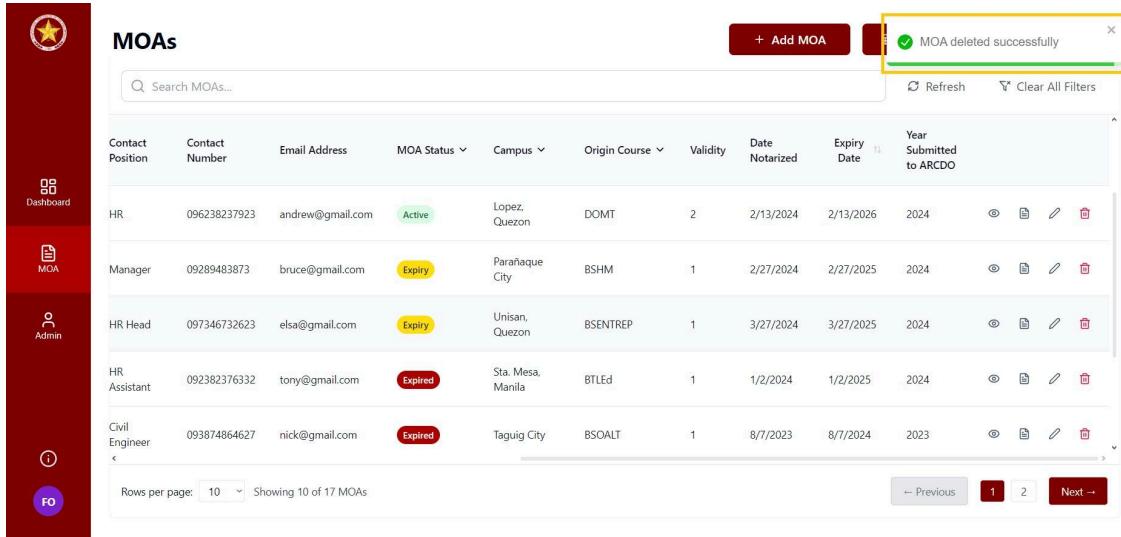

(2) Either method will open a **confirmation window**, prompting the user to confirm or cancel the deletion.

The screenshot shows the 'MOAs' page with a list of entries. A confirmation dialog box is overlaid on the screen, asking 'Are you sure you want to delete the MOA with Smart? This action cannot be undone.' The dialog box has 'Cancel' and 'Delete' buttons. The page includes a search bar, filter buttons ('Add MOA', 'Export Excel', 'Import Excel'), and navigation controls ('Refresh', 'Clear All Filters', 'Rows per page: 10', 'Showing 10 of 18 MOAs').

Figure 19. Delete MOA Confirmation

- (3) If the user proceeds to delete the MOA, a pop-up message will appear for confirmation.

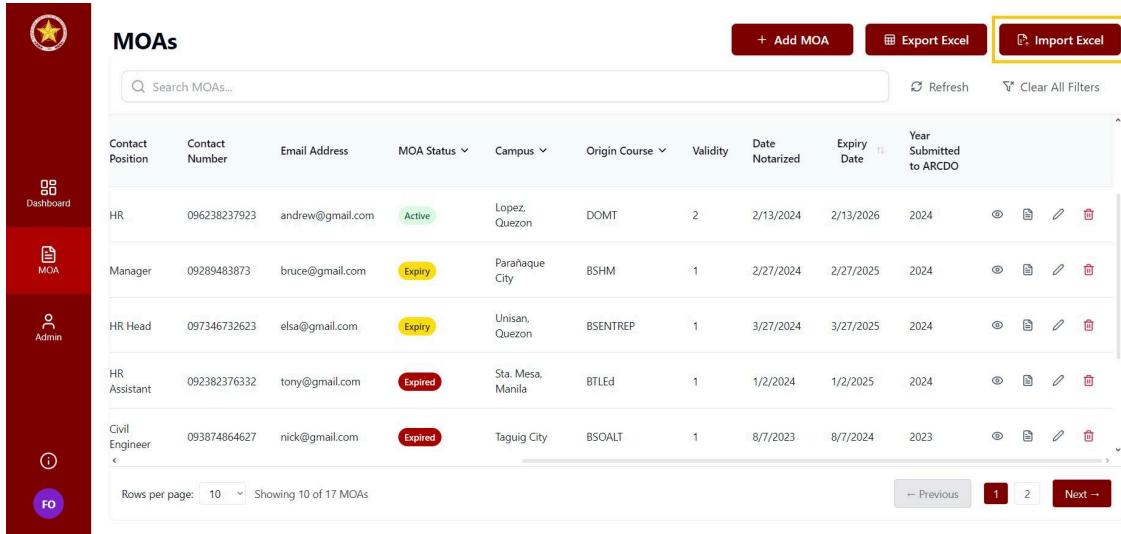

The screenshot shows the 'MOAs' page with a sidebar containing icons for Dashboard, MOA, Admin, and FO. The main area has a title 'MOAs' and a search bar. A success message 'MOA deleted successfully' is displayed in a green box with a yellow border. The table lists 17 MOAs with columns for Contact Position, Contact Number, Email Address, MOA Status, Campus, Origin Course, Validity, Date Notarized, Expiry Date, and Year Submitted to ARCDO. The last row shows a Civil Engineer with contact information and status 'Expired'. At the bottom, there are pagination controls for 'Rows per page' (10), 'Showing 10 of 17 MOAs', and page numbers 1, 2, Next.

4.6.6 Export Excel

(1) To export an Excel file, the user must click the "Export Excel" button.

The screenshot shows a list of MOAs (Memorandum of Agreement) on a web application. The left sidebar has icons for Dashboard, MOA, Admin, and FO. The main area title is 'MOAs'. It includes a search bar, filter buttons for 'Add MOA', 'Export Excel' (which is highlighted in yellow), and 'Import Excel', and buttons for 'Refresh' and 'Clear All Filters'. A table lists MOAs with columns: Name, Type of MOA, Nature of Business, Company Address, Contact Person, Contact Position, Contact Number, Email Address, and MO. The 'Export Excel' button is located at the top right of the table header.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MO

4.6.7 Search MOA

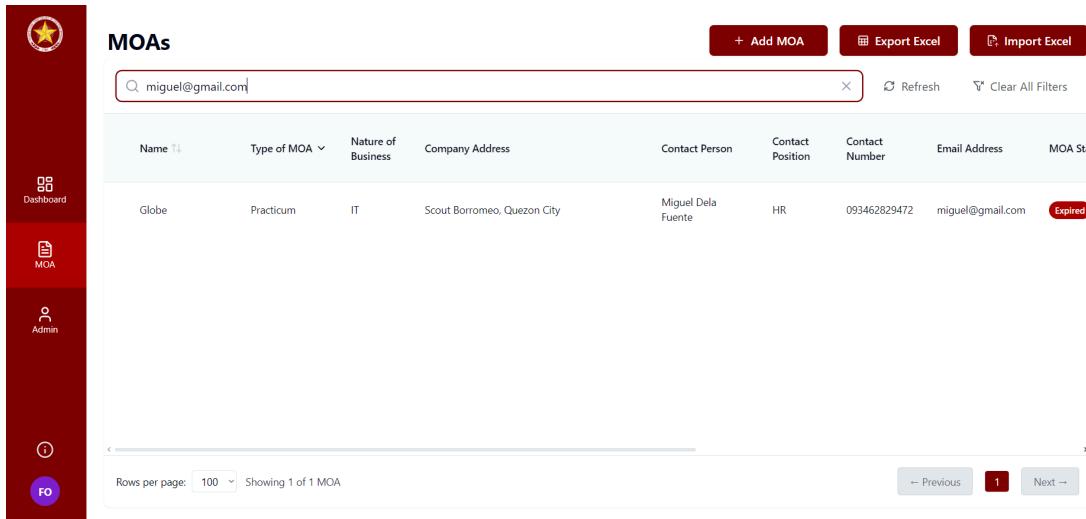

(1) To search for MOA, the user can enter the **MOA name, email address** of the contact person, or **nature of business** in the search bar. The table will update accordingly based on the search results.

The screenshot shows a search results page for 'MOAs'. The search bar at the top contains the text 'Gcash'. Below the search bar is a table with columns: Name, Type of MOA, Nature of Business, Company Address, Contact Person, Contact Position, Contact Number, Email Address, and MOA Status. A single row is displayed for 'Gcash', which is a 'Scholarship' type, 'Fin Tech' nature of business, located in 'BGC, Taguig', with contact person 'Leo Mendez' in 'HR' position, phone number '09723782382', email 'leo@gmail.com', and status 'Active'. The sidebar on the left has icons for Dashboard, MOA, Admin, and FO.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
Gcash	Scholarship	Fin Tech	BGC, Taguig	Leo Mendez	HR	09723782382	leo@gmail.com	Active

Figure 30. Search MOA Name

The screenshot shows a search results page for 'MOAs'. The search bar at the top contains the text 'miguel@gmail.com'. Below the search bar is a table with columns: Name, Type of MOA, Nature of Business, Company Address, Contact Person, Contact Position, Contact Number, Email Address, and MOA Status. A single row is displayed for 'Globe', which is a 'Practicum' type, 'IT' nature of business, located in 'Scout Borromeo, Quezon City', with contact person 'Miguel Dela Fuente' in 'HR' position, phone number '093462829472', email 'miguel@gmail.com', and status 'Expired'. The sidebar on the left has icons for Dashboard, MOA, Admin, and FO.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
Globe	Practicum	IT	Scout Borromeo, Quezon City	Miguel Dela Fuente	HR	093462829472	miguel@gmail.com	Expired

Figure 31. Search Email of Contact Person

GCash	Scholarship	Fin Tech	BGC, Taguig	Leo Mendez	HR	09723782382	leo@gmail.com	Active

Figure 32. Search Nature of Business

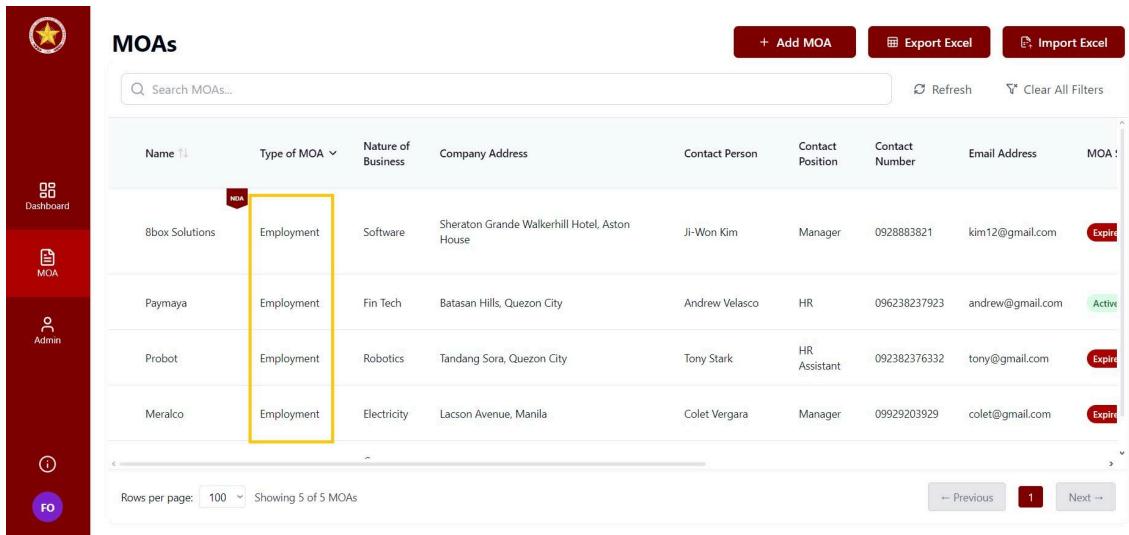

4.6.8 Filter MOA Table

(1) Users can filter MOAs by **Type, Status, Branch, and Course** using **dropdown checkboxes**. The system supports simultaneous filtering, and the table will update dynamically based on the selected filters.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
8box Solutions	Employment	Practicum	Sheraton Grande Walkerhill Hotel, Aston House	Ji-Won Kim	Manager	0928883821	kim12@gmail.com	Expired
Paymaya	Employment	Fin Tech	Batasan Hills, Quezon City	Andrew Velasco	HR	096238237923	andrew@gmail.com	Active
Probot	Employment	Robotics	Tandang Sora, Quezon City	Tony Stark	HR Assistant	092382376332	tony@gmail.com	Expired
Meralco	Employment	Electricity	Lacson Avenue, Manila	Colet Vergara	Manager	09929203929	colet@gmail.com	Expired

Figure 33. Filter Function

(2) It will update the table dynamically.

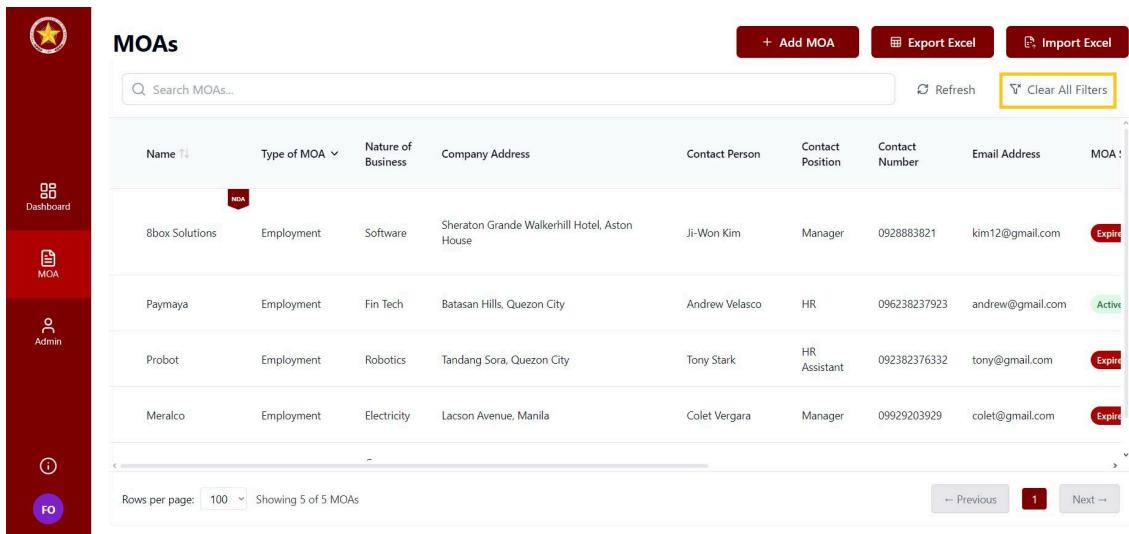

The screenshot shows a table titled "MOAs" with columns: Name, Type of MOA, Nature of Business, Company Address, Contact Person, Contact Position, Contact Number, Email Address, and MOA!. A yellow box highlights the "Type of MOA" column header, which is set to "Employment". The table contains five rows of data. At the top right, there are buttons for "+ Add MOA", "Export Excel", "Import Excel", "Refresh", and "Clear All Filters". At the bottom, there are pagination controls for "Rows per page" (set to 100), "Showing 5 of 5 MOAs", and "Previous/Next" links.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA!
8box Solutions	Employment	Software	Sheraton Grande Walkerhill Hotel, Aston House	Ji-Won Kim	Manager	0928883821	kim12@gmail.com	Expired
Paymaya	Employment	Fin Tech	Batasan Hills, Quezon City	Andrew Velasco	HR	096238237923	andrew@gmail.com	Active
Probot	Employment	Robotics	Tandang Sora, Quezon City	Tony Stark	HR Assistant	092382376332	tony@gmail.com	Expired
Meralco	Employment	Electricity	Lacson Avenue, Manila	Colet Vergara	Manager	09929203929	colet@gmail.com	Expired

Figure 34. Filter Results

(3) "Clear Filters" button removes all selected filters.

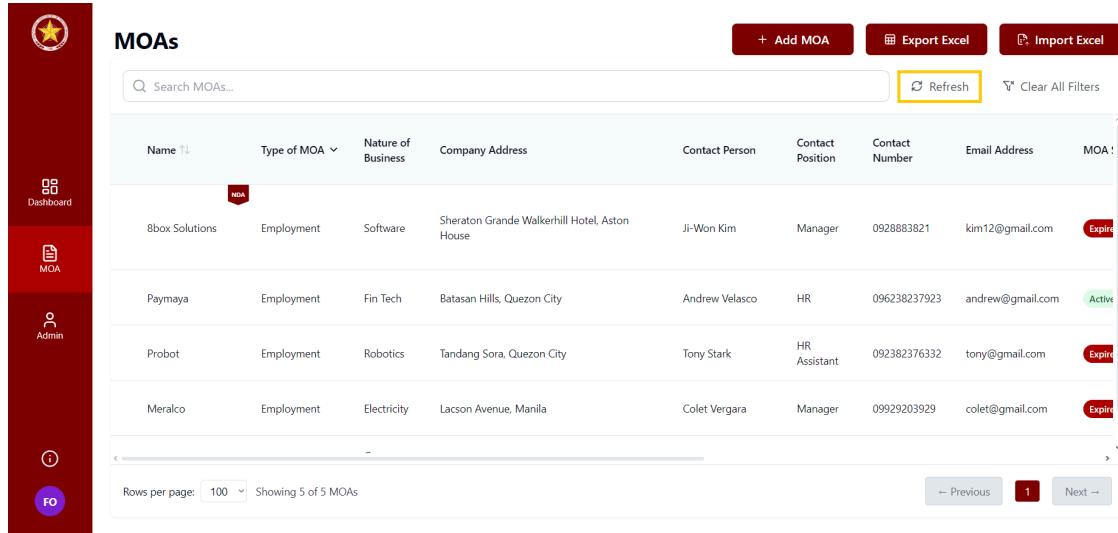

The screenshot shows the same table as Figure 34, but the "Type of MOA" column header is no longer highlighted in yellow. The table still contains the same five rows of data. The "Clear All Filters" button at the top right is highlighted with a yellow box. The other UI elements like search, export/import, and pagination remain the same.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA!
8box Solutions	Employment	Software	Sheraton Grande Walkerhill Hotel, Aston House	Ji-Won Kim	Manager	0928883821	kim12@gmail.com	Expired
Paymaya	Employment	Fin Tech	Batasan Hills, Quezon City	Andrew Velasco	HR	096238237923	andrew@gmail.com	Active
Probot	Employment	Robotics	Tandang Sora, Quezon City	Tony Stark	HR Assistant	092382376332	tony@gmail.com	Expired
Meralco	Employment	Electricity	Lacson Avenue, Manila	Colet Vergara	Manager	09929203929	colet@gmail.com	Expired

Figure 35. Clear All Filters

4.6.9 Refresh MOA Table

(1) To retrieve the latest data, the user can click the **Refresh** button.

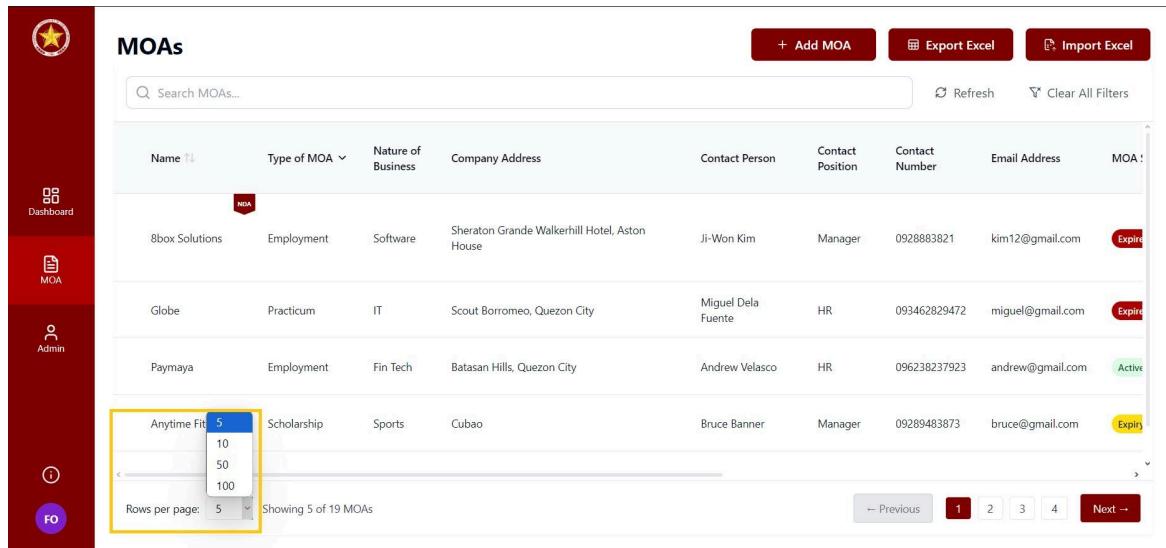

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
8box Solutions	Employment	Software	Sheraton Grande Walkerhill Hotel, Aston House	Ji-Won Kim	Manager	0928883821	kim12@gmail.com	Expired
Paymaya	Employment	Fin Tech	Batasan Hills, Quezon City	Andrew Velasco	HR	096238237923	andrew@gmail.com	Active
Probot	Employment	Robotics	Tandang Sora, Quezon City	Tony Stark	HR Assistant	092382376332	tony@gmail.com	Expired
Meralco	Employment	Electricity	Lacson Avenue, Manila	Colet Vergara	Manager	09929203929	colet@gmail.com	Expired

Figure 36. Refresh MOA Table

4.6.10 Pagination

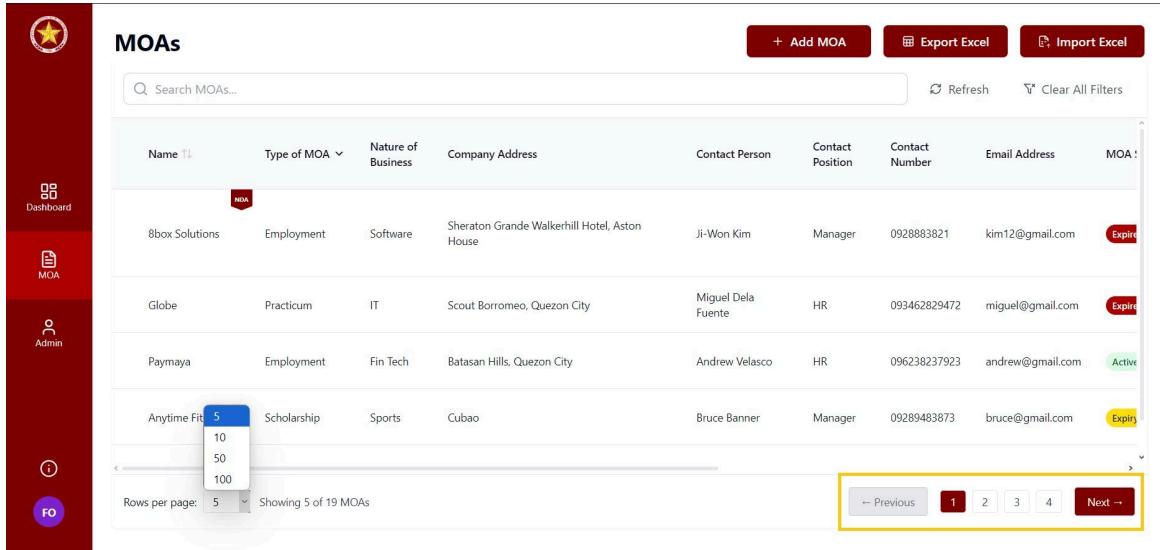

(1) The **MOA page** has a pagination feature where the user can choose how many rows to display by selecting an option from the "Rows per Page" dropdown. The total number of pages will adjust based on the selected rows per page.

Name	Type of MOA	Nature of Business	Company Address	Contact Person	Contact Position	Contact Number	Email Address	MOA Status
8box Solutions	Employment	Software	Sheraton Grande Walkerhill Hotel, Aston House	Ji-Won Kim	Manager	0928883821	kim12@gmail.com	Expired
Globe	Practicum	IT	Scout Borromeo, Quezon City	Miguel Dela Fuente	HR	093462829472	miguel@gmail.com	Expired
Paymaya	Employment	Fin Tech	Batasan Hills, Quezon City	Andrew Velasco	HR	096238237923	andrew@gmail.com	Active
Anytime Fit	Scholarship	Sports	Cubao	Bruce Banner	Manager	09289483873	bruce@gmail.com	Expired

Figure 37. Pagination Rows Per Page

- (2) Users can navigate through pages using the **Next**, **Previous**, and **specific page number** buttons to view other entries.

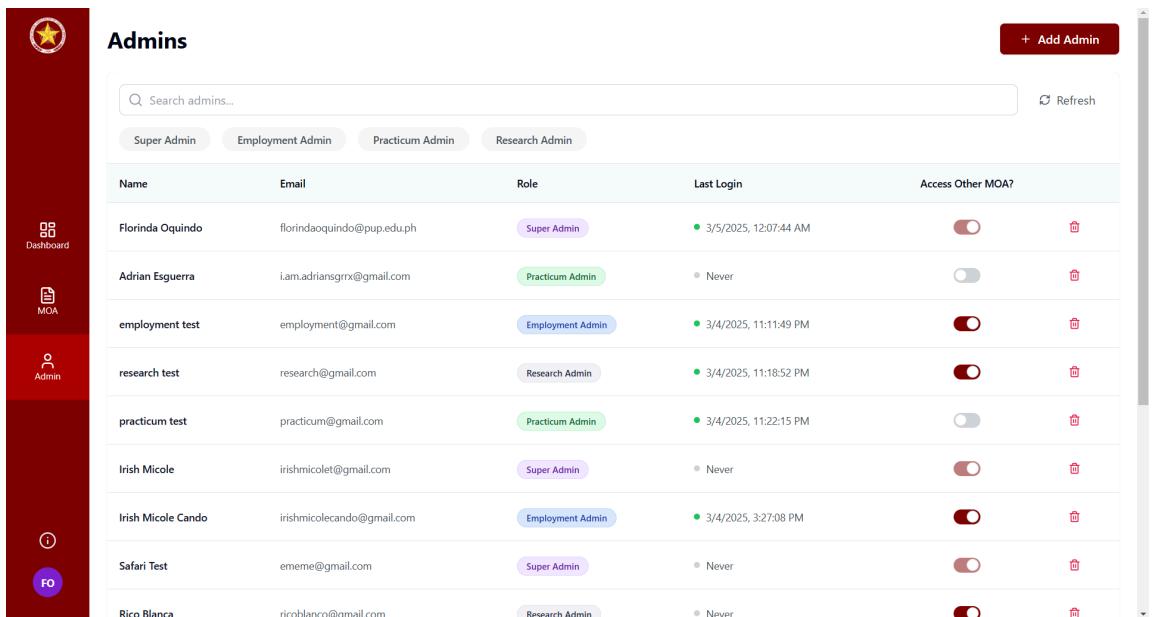

The screenshot shows the 'MOAs' page with a sidebar containing icons for Dashboard, MOA, Admin, and FO. The main area has a header with '+ Add MOA', 'Export Excel', and 'Import Excel'. A search bar and filter buttons ('Refresh', 'Clear All Filters') are also present. The table lists MOA details: Name, Type of MOA, Nature of Business, Company Address, Contact Person, Contact Position, Contact Number, Email Address, and MOA Status (e.g., Expired, Active). A dropdown menu for 'Rows per page' is open, showing options 5, 10, 50, and 100. The bottom right corner features a yellow-bordered set of navigation buttons labeled '← Previous', '1', '2', '3', '4', and 'Next →'.

Figure 38. Pagination Navigation Buttons

4.7 Admin Tab

4.7.1 View Admins

- (1) The Admin tab displays a list of **all accounts** created in the system, including their **name**, **email**, **role**, **last login**, and whether it has **access to Other MOAs**.

The screenshot shows the 'Admins' page with a sidebar containing icons for Dashboard, MOA, Admin, and FO. The main area has a header with '+ Add Admin', 'Refresh', and a search bar. Below are tabs for Super Admin, Employment Admin, Practicum Admin, and Research Admin. The table lists user details: Name, Email, Role, Last Login, and Access Other MOA? (with a toggle switch and delete icon). The table includes rows for various test accounts like 'employment test', 'research test', and 'practicum test'.

Figure 39. Admin Tab

4.7.2 Add Admin (Super admin only)

(1) To add an Admin, the Super Admin must click the “**Add Admin**” button.

The screenshot shows the 'Admins' section of a web application. On the left is a vertical sidebar with icons for Dashboard, MOA, Admin, and FO. The main area has a header 'Admins' and a search bar 'Search admins...'. Below are tabs for Super Admin, Employment Admin, Practicum Admin, and Research Admin. A table lists eight users with columns for Name, Email, Role, Last Login, and Access Other MOA? (with a toggle switch). A red box highlights the '+ Add Admin' button in the top right corner of the table area.

Name	Email	Role	Last Login	Access Other MOA?
Florinda Oquindo	florindaquindo@pup.edu.ph	Super Admin	3/5/2025, 12:07:44 AM	<input checked="" type="checkbox"/> Trash
Adrian Esguerra	i.am.adriansgrx@gmail.com	Practicum Admin	Never	<input type="checkbox"/> Trash
employment test	employment@gmail.com	Employment Admin	3/4/2025, 11:19:49 PM	<input checked="" type="checkbox"/> Trash
research test	research@gmail.com	Research Admin	3/4/2025, 11:18:52 PM	<input checked="" type="checkbox"/> Trash
practicum test	practicum@gmail.com	Practicum Admin	3/4/2025, 11:22:15 PM	<input type="checkbox"/> Trash
Irish Mico	irishmicolet@gmail.com	Super Admin	Never	<input checked="" type="checkbox"/> Trash
Irish Mico Cando	irishmicolecando@gmail.com	Employment Admin	3/4/2025, 3:27:08 PM	<input checked="" type="checkbox"/> Trash
Safari Test	ememe@gmail.com	Super Admin	Never	<input checked="" type="checkbox"/> Trash
Rico Blanca	ricoblanco@gmail.com	Research Admin	Never	<input checked="" type="checkbox"/> Trash

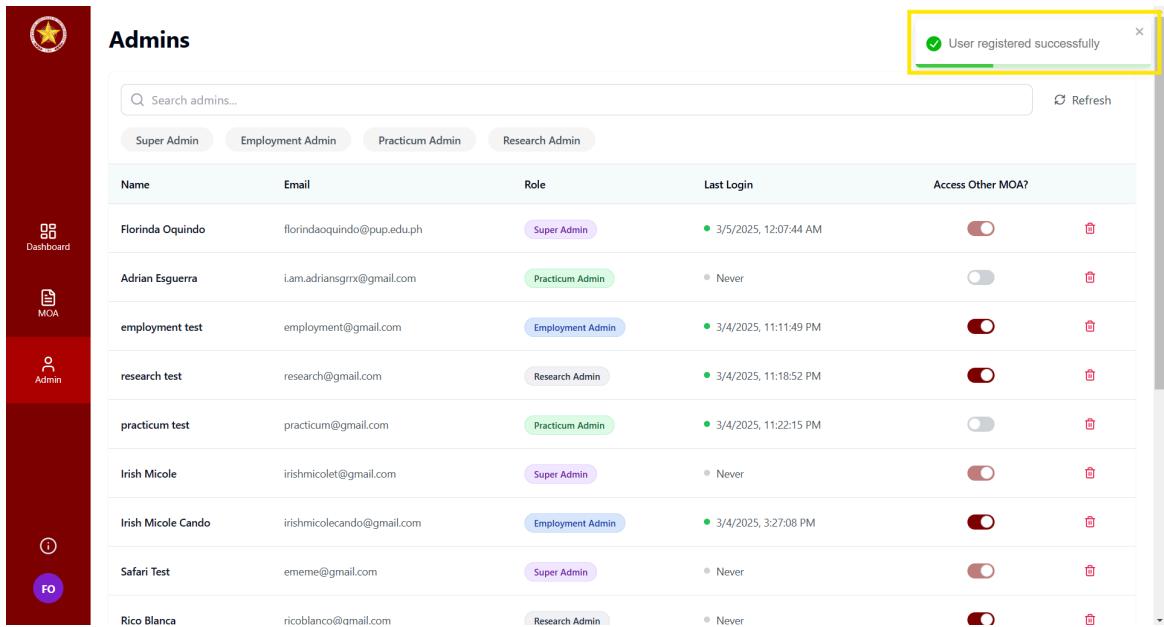

Figure 40. Add Admin

(2) When the 'Add Admin' button is clicked, a pop-up window appears, allowing the user to enter details for a new admin account. The Super Admin can add another **Super Admin or any other admin role** of their choice. The set password will be **sent to the user's email** for login.

The screenshot shows the 'Admins' section with a modal window for adding a new admin. The modal has fields for First Name (Ex: John), Last Name (Ex: Dela Cruz), Email (Ex: johndelacruz@pup.edu.ph), Role (Super Admin dropdown), Contact Number (Ex: 09123456789), Password (*****), Confirm Password (*****), and a checkbox for 'Has Access to Other MOA'. A red box highlights the '+ Add Admin' button at the bottom of the modal. The background table of existing admins is partially visible.

Figure 41. Add MOA Window

- (3) A pop-up message will appear saying 'User registered successfully,' and the newly created account will be added to the Admin table.

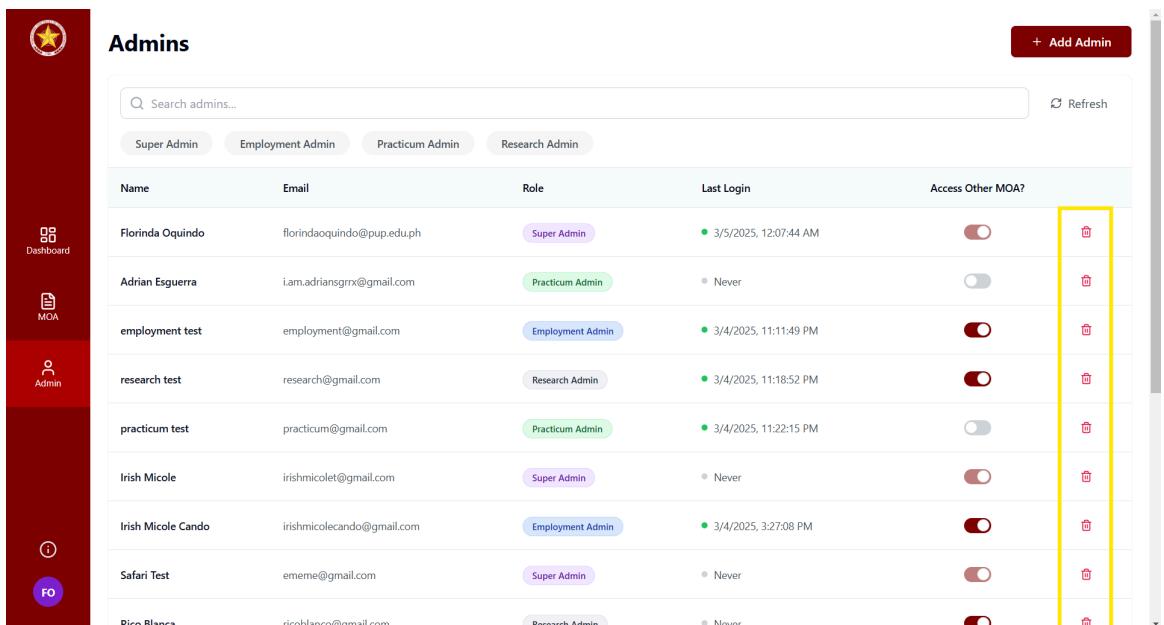

The screenshot shows the 'Admins' page with a success message: 'User registered successfully' in a yellow-bordered box at the top right. The table lists nine users with their details: Name, Email, Role, Last Login, and Access Other MOA? status. The last row, 'Rico Blanca', is a new entry with a purple 'Super Admin' role and a 'Never' last login date.

Name	Email	Role	Last Login	Access Other MOA?
Florinda Oquindo	florindaquindo@pup.edu.ph	Super Admin	3/5/2025, 12:07:44 AM	<input checked="" type="checkbox"/> 
Adrian Esguerra	i.am.adriansgrx@gmail.com	Practicum Admin	Never	<input checked="" type="checkbox"/> 
employment test	employment@gmail.com	Employment Admin	3/4/2025, 11:11:49 PM	<input checked="" type="checkbox"/>

practicum test	practicum@gmail.com	Practicum Admin	3/4/2025, 11:22:15 PM	<input checked="" type="checkbox"/> 
Irish Micole	irishmicole@gmail.com	Super Admin	Never	<input checked="" type="checkbox"/> 
Irish Micole Cando	irishmicolecando@gmail.com	Employment Admin	3/4/2025, 3:27:08 PM	<input checked="" type="checkbox"/> 
Safari Test	ememe@gmail.com	Super Admin	Never	<input checked="" type="checkbox"/> 
Rico Blanca	ricoblanco@gmail.com	Research Admin	Never	<input checked="" type="checkbox"/> 

Figure 42. User registered successfully

4.7.3 Delete Admin (Super admin only)

- (1) To delete an admin, the **Super Admin** must click the **delete icon** at the rightmost part of the row.

The screenshot shows the 'Admins' page with a vertical yellow box highlighting the delete icons (red trash cans) in the last column of the table. The table lists the same nine users as Figure 42, with the last column showing the delete icons.

Name	Email	Role	Last Login	Access Other MOA?
Florinda Oquindo	florindaquindo@pup.edu.ph	Super Admin	3/5/2025, 12:07:44 AM	<input checked="" type="checkbox"/> 
Adrian Esguerra	i.am.adriansgrx@gmail.com	Practicum Admin	Never	<input checked="" type="checkbox"/> 
employment test	employment@gmail.com	Employment Admin	3/4/2025, 11:11:49 PM	<input checked="" type="checkbox"/> 
research test	research@gmail.com	Research Admin	3/4/2025, 11:18:52 PM	<input checked="" type="checkbox"/> 
practicum test	practicum@gmail.com	Practicum Admin	3/4/2025, 11:22:15 PM	<input checked="" type="checkbox"/> 
Irish Micole	irishmicole@gmail.com	Super Admin	Never	<input checked="" type="checkbox"/> 
Irish Micole Cando	irishmicolecando@gmail.com	Employment Admin	3/4/2025, 3:27:08 PM	<input checked="" type="checkbox"/> 
Safari Test	ememe@gmail.com	Super Admin	Never	<input checked="" type="checkbox"/> 
Rico Blanca	ricoblanco@gmail.com	Research Admin	Never	<input checked="" type="checkbox"/> 

Figure 43. Delete Admin

- (2) When the delete icon is clicked, a pop-up message appears, asking for confirmation with options to **delete** or **cancel**.

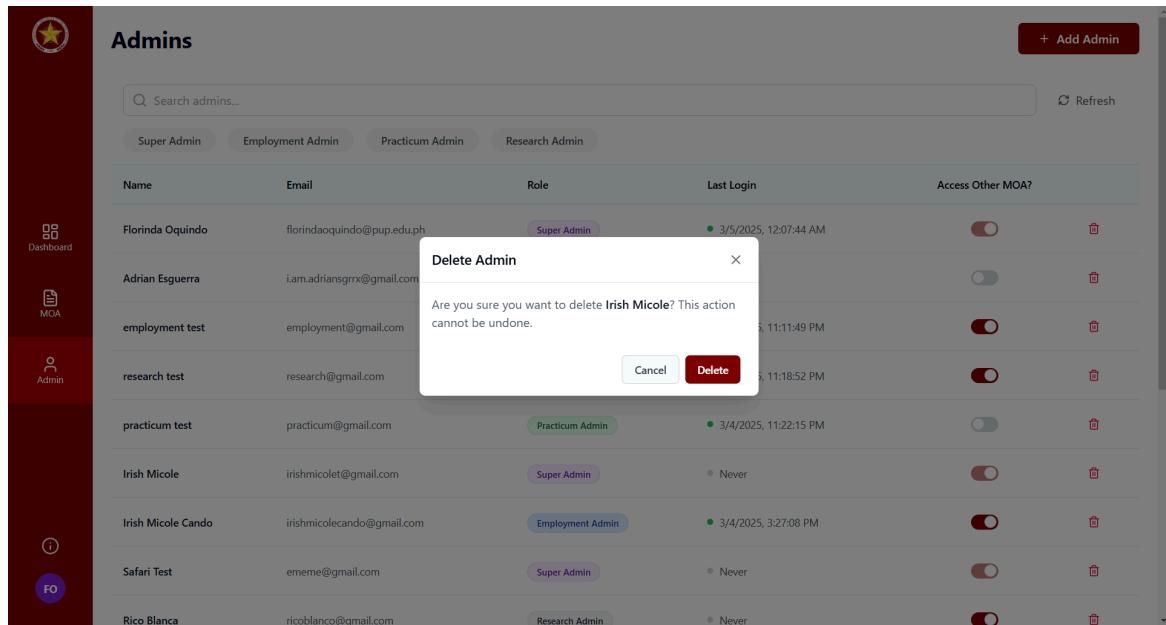

Figure 44. Delete Admin confirmation

- (3) If the user proceeds with deleting the admin, a **pop-up message** will appear to confirm the action.

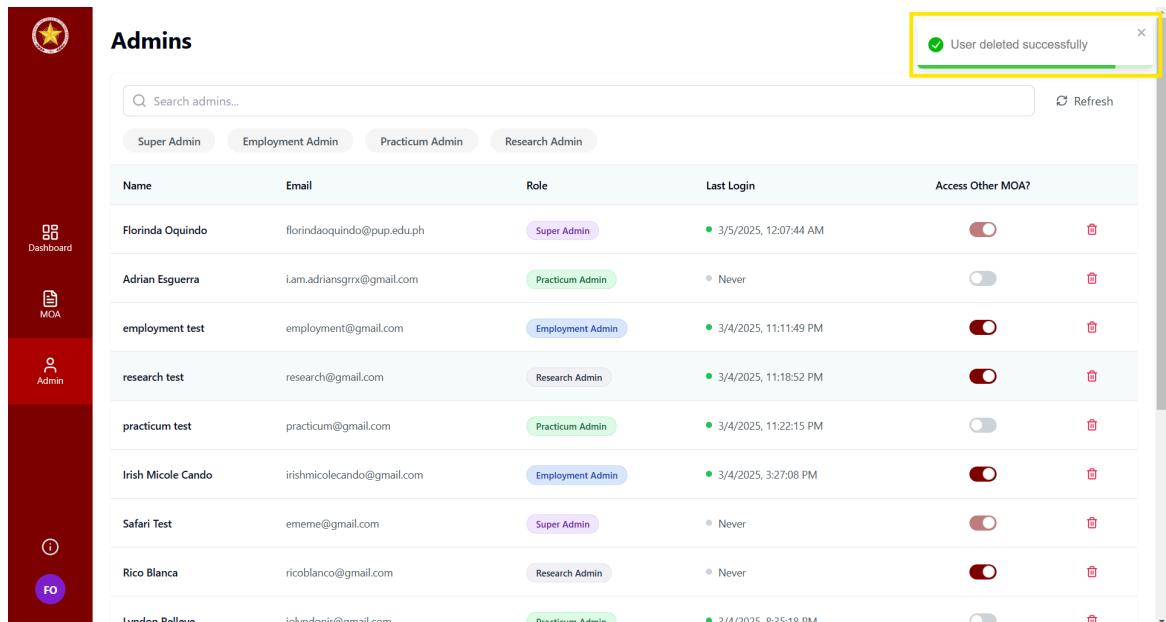

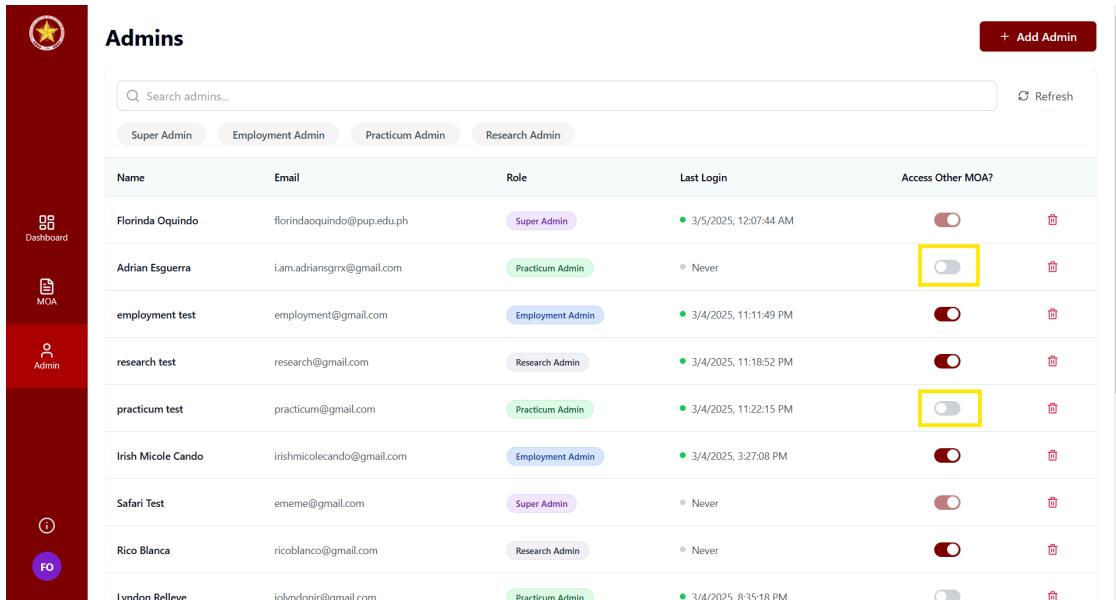

Figure 45. Delete Admin confirmation

4.7.4 Access Other MOA

- (1) To grant an admin access to "Other" types of MOAs, **toggle the switch** in the "Access Other MOA" column.

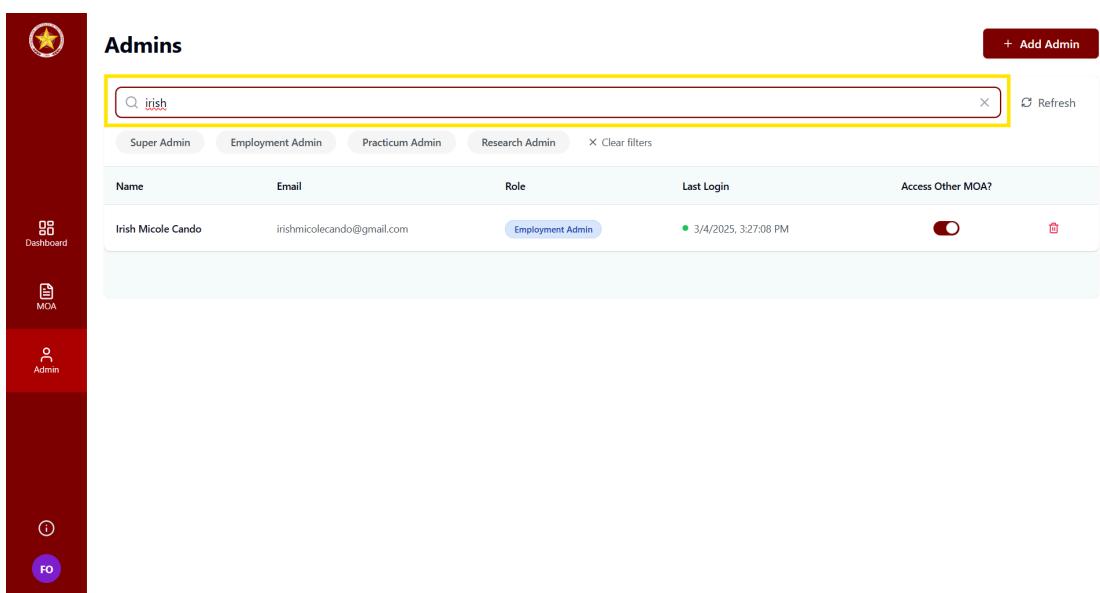

Name	Email	Role	Last Login	Access Other MOA?	Action
Florinda Oquindo	florinda.oquindo@pup.edu.ph	Super Admin	3/5/2025, 12:07:44 AM	<input checked="" type="checkbox"/>	
Adrian Esguerra	i.am.adriansgrrx@gmail.com	Practicum Admin	Never	<input checked="" type="checkbox"/>	
employment test	employment@gmail.com	Employment Admin	3/4/2025, 11:11:49 PM	<input checked="" type="checkbox"/>

4.8 About

(1) The "About" page button is located above the Profile icon in the navigation bar.

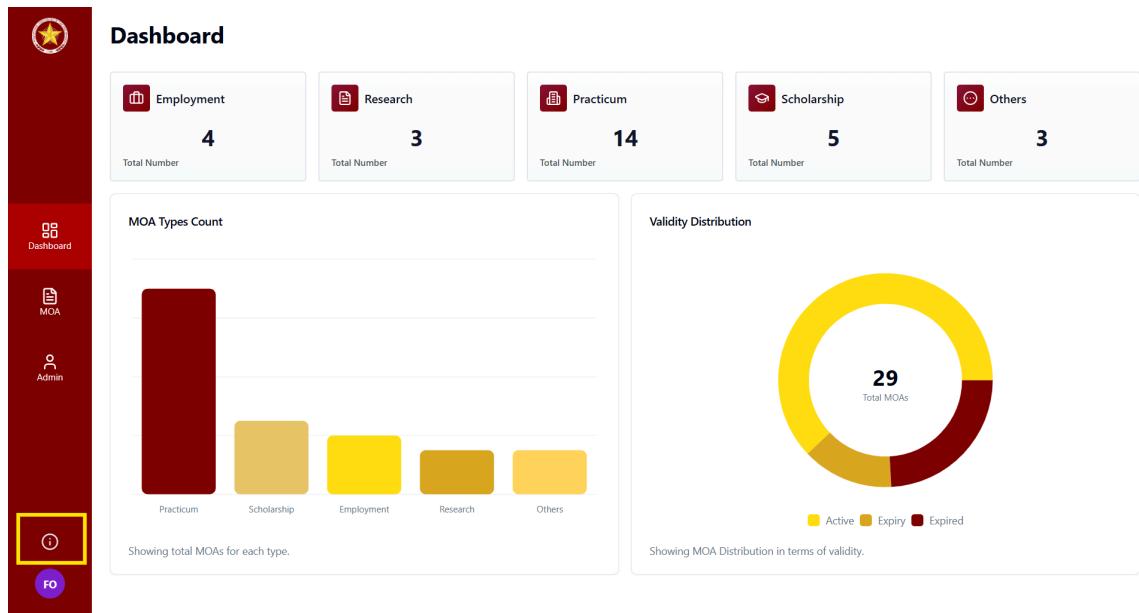

Figure 51. About Icon

- (2) Once clicked, the user will be directed to the About page, which provides a guide on how to use the system and information about the contributors.

The PUP MOA Monitoring System is an optimized platform designed to track, manage, and maintain Memorandums of Agreement (MOAs) for the Polytechnic University of the Philippines. It provides a user-friendly interface for end-users to efficiently track and manage MOAs to stay organized and ensure seamless monitoring experience. ↗

How to Use the PUPMMS?

To effectively use the PUP MOA Monitoring System, refer to the guides below. The User Manual provides instructions for end-users, the Developer Manual includes technical details, and the Excel file contains the accurate column names in importing excel. It is recommended to use the PUPMMS Excel file as a difference in column names may likely cause issues.

[User Manual](#) [PUPMMS Excel File](#)

Contributors

The developers and contributors to this system are Bachelor of Science in Computer Engineering students from Section BSCOE 4-2, Batch 2021. This system is part of the Database System Implementation (CMPE 40173) course requirement under Engr. Florinda Oquindo, Associate Professor II, Director of Alumni Relations and Career Development. Below are the developers and contributors of the PUP MOA Monitoring System, along with their respective roles.

Figure 53. About Page Guide Files

5 Frequently Asked Questions

5.1 How do I change my email address, name, or admin role?

Your email address, name, and admin role are fixed after account creation and cannot be changed. If you need to update any of these details, you may request a new account at the Alumni Relations and Career Development Office (ARCDO). The credentials for your newly created account will be sent to your registered email via pupmms@gmail.com.

5.2 What should I do if I forget my password?

The password sent to your email address after account registration is fixed and cannot be changed. It is recommended to keep it saved for future reference.

5.3 Why can't I view MOAs with an NDA?

MOAs with an NDA are only accessible to users with the Super Admin role. If you are unable to view an MOA, it is likely due to your current user role. If you need information about that MOA, you may contact Alumni Relations and Career Development Office (ARCDO) or the originating course representative.

5.4 Why do I have an error creating MOA?

The system does not accept duplicates. Kindly ensure that the MOA you are creating does not have the same name or email as an existing record.

5.5 Why can't I edit or delete other MOAs?

You can only edit or delete MOAs that fall under the category assigned to your admin role. While you have access to view the full list of MOAs, those outside your designated category cannot be edited or deleted. For a detailed list of categories, please refer to [3.1 User Access Levels](#).

5.6 Can I restore a deleted MOA?

Once a MOA is deleted, it cannot be restored. Please double-check that you have selected the correct MOA before confirming the deletion.

5.7 Why is my Excel import failing?

If your Excel import fails, check the file's content to ensure that the columns match the required format and that there are no incorrect or improperly formatted entries. To prevent this issue, refer to the About page for the correct file format before uploading.

5.8 Why is my exported Excel file missing some data?

The exported data reflects the filters applied in the column headers. If some MOAs are missing, review and clear any active filters before exporting.

6 Appendices

6.1 Definition of Terms

- **Memorandum of Agreement (MOA)** - A formal document that outlines the terms, conditions, and responsibilities agreed upon by two or more parties. In the system, MOAs refer to PUP's agreements with external organizations, detailing collaborations, partnerships, or commitments.
- **Non-Disclosure Agreement (NDA)** - A legal contract that ensures certain information remains confidential and cannot be disclosed to unauthorized parties. In the system, MOAs containing an NDA are restricted and can only be accessed by the Super Admin.

6.2 About the Team

The system was developed by a group of students from the Bachelor of Science in Computer Engineering program as part of their academic requirements. Dedicated to innovation and efficiency, the team designed and built the system to streamline document management and enhance user experience. Their collaborative efforts focused on creating a reliable and user-friendly platform to meet the needs of the institution.
